Special Terms of Participation „B“

for the International Exhibition and Event TUNING WORLD BODENSEE 2012

1. Duration and place of exhibition

The TUNING WORLD BODENSEE – International Exhibition and Event of Car-Tuning, Lifestyle and Club-Scene – will take place from Saturday, April 28th to Tuesday, May 1st, 2012 at the exhibition site in Friedrichshafen. The exhibition is open from 10 a.m. to 6 p.m. The right to alter the opening time on serious reasons is reserved. Such changes will be announced in good time.

2. Admission

Admitted are all companies whose exhibited products correspond to the subject of the exhibition. Admission will be decided upon by MESSE FRIEDRICHSHAFEN GmbH and confirmed in writing. You may be disqualified from admission to the exhibition, if you failed to fulfill your financial obligations to the organizer at any time, or if you failed to fulfill such financial obligations within the prescribed period of time.

3. Application and confirmation

Application for registration shall be made with this form, which shall be fully completed and signed with legally binding signature, and send as soon as possible to MESSE FRIEDRICHSHAFEN GmbH. With your signature you agree to our General and Special Terms of Participation. The data will be stored by us by automatic processing with due regard to the provisions of article 23 of the Bundesdatenschutzgesetz (federal law regulating the protection of data). The signed application form is binding. Provisos of any kind cannot be considered. Upon receipt of your application you will receive a written confirmation and, in case of admission, a confirmation of your stand-space as soon as stand-planning is completed. As exhibitor you are obligated to only exhibit specified products and keep the stand occupied for the entire duration of the exhibition. Prior to accepting other companies or products at your stand you will need the consent of MESSE FRIEDRICHSHAFEN GmbH. Due to special circumstances it might be necessary to: relocate your stand, to alter the size and dimensions of reserved space, to change entrances, exits and corridors or to make structural changes even after you have received a confirmation of your stand.

4. Exhibits

The application form must contain exact details of the exhibited products. These may only include products and services which correspond to the subject of the exhibition. Those exhibits that are not included can be removed from the stand by the organizer after commencement of the exhibition and at the exhibitor's cost. This is especially the case if, due to incorrect definitions (collective groupings), competitive goods are located either next to one another or in close proximity to one another. Further, exact details of the manufacturer, with commercial address, and the exhibited articles are required from exhibitors who are not manufacturers themselves.

5. Commercial property rights

MESSE FRIEDRICHSHAFEN GmbH does not want any exhibitors who, in the process of producing, disseminating, selling, owning or advertising their products, violate laws regarding the protection of intellectual property or commercial property rights in the broadest sense. If a final court decision has determined that an exhibitor at one of MESSE FRIEDRICHSHAFEN GmbH's events has violated laws of the kind mentioned in paragraph 1, MESSE FRIEDRICHSHAFEN GmbH is entitled to bar that exhibitor from the next event of this kind after the court decision is res judicata if there is sufficient suspicion that the exhibitor will again and repeatedly violate laws for the protection of intellectual property or commercial property rights.

6. Sales

For advertising purposes, and subject to the observation of good taste, over-the-counter sales are permitted as a matter of principle. Selling of food and drink is prohibited.

7. Official Regulations

Under the terms of the Price Indication Act of September 18, 1969 modified October 25, 1971, (BGB 1.i 1969 P. 1679), the generally applied price of an article must be shown. Where open food and drink are offered for sale, the stand must be equipped with a water supply and wastewater outlet. In addition, persons serving food and drink must be in possession of a valid official Health Certificate. Exhibitors are responsible for obtaining necessary authorisations. The use of liquid gas equipment in the exhibition halls is absolutely prohibited under the terms of the "Official Regulations" (see conditions in Technical Forms folder).

8. Booking and assignment of stands

MESSE FRIEDRICHSHAFEN GmbH will endeavor to satisfy wishes regarding location and size of the stand considering the arrangement inside the halls and open ground. Stand allocation will be based on the data stated in the exhibitor's form submitted with the application. Deviations are to be expected for technical reasons. With the official confirmation of admission, a layout plan will be submitted showing the position of the exhibitor's stand. The minimum stand size is 10 sqm.

9. Activities on the stand and noise levels

Any noise, background music, parties on the stand or show and promotion events need to be approved by the exhibition management. Even if approval is given, the exhibition management reserves the right to revoke the approval, especially in cases where other exhibitors feel that their customer meetings and sales talks are disturbed. The use of microphones is only allowed after consultation with the company MESSE FRIEDRICHSHAFEN GmbH; the exhibition management reserves the right to revoke its approval. Shows or presentations on the stand may not exceed a maximum sound level of 75dB. After issuing one warning, the organiser reserves the right to prohibit the show and to turn off the power supply or close the stand if necessary. The respective statutory specifications must be satisfied.

10. Cancellation

If the exhibitor is cancelling the contract after a stand has been assigned to him, withdrawal clause point 7 and 17 of the General Guidelines for Participation in Fairs and Exhibitions of IDFA Members will apply. The cancellation fee will be 25% of the invoiced stand rental fee, if we are able to sell the stand to another company. In case we cannot sell the stand to another company we will charge you the full stand rental fee.

11. Stand rent

12. Exhibition and Event-Guide

An Exhibition and Event-Guide will be published on behalf of the MESSE FRIEDRICHSHAFEN GmbH, which will be distributed to visitors. All exhibiting companies will be included. The data on this form will be used for the exhibitor index on the TUNING WORLD BODENSEE 2012 homepage.

Invoices issued after April 1st, 2012 are to be paid in full immediately after receipt of invoice without any deductions. This provision is deemed a special agreement as defined by clause 6 of the General Terms and Conditions of Participation. - B. Special Exhibiting Conditions of the organizer
- C. General Exhibiting Guidelines

1. Participants

- 1.1 The participants in trade fairs and exhibitions shall be divided into exhibitors, co-exhibitors and additionally represented companies. They shall hereinafter be called "participants" for short.
- 1.2 The admission of one or more co-exhibitors shall only be possible in exceptional cases and shall entitle the organizer to charge a special fee.
In all cases, however, the admitted exhibitor shall be liable for ensuring that the co-exhibitor(s) complies (comply) with the obligations upon the exhibitor.
- 1.3 Exhibitors, co-exhibitors and additionally represented companies
An **exhibitor** shall be regarded as anyone who hires an exhibition stand for the duration of a trade fair or exhibition and takes part in this event with their own personnel and their own products or services.
A **co-exhibitor** shall be regarded as anyone who takes part in a trade fair or an exhibition on the stand of an exhibitor with their own personnel and their own products or services. Co-exhibitors shall also include members of a group of companies and subsidiaries.
In the case of an exhibitor who is actually a manufacturer, an **additionally represented company** shall be regarded as every other firm whose goods or services are offered by the exhibitor.
If an exhibitor, who is a sales company, presents both products from a manufacturer and additional goods and services from other firms, these firms shall be regarded as **additionally represented companies**.
- 1.4 The admission of the exhibitor shall not lead to a contract between the co-exhibitors or additionally represented companies registered by the exhibitor and the organizer.
The inclusion of co-exhibitors shall normally be subject to a licence and a charge. The inclusion of additionally represented companies shall be subject to a licence; a charge shall only be paid for these companies if this is stipulated in the Special Exhibiting Conditions. The charge shall be paid by the exhibitor; it may also be subsequently invoiced by the organizer.
A written application for the inclusion of a co-exhibitor shall be sent to the organizer showing the full address and the names of contact persons.

2. Registration

- 2.1 Anyone wishing to register (participation and ordering of a stand) for a trade fair or exhibition (hereinafter called "event") shall do so using the registration form, which shall be completed in full and signed with legally binding effect. This application shall be regarded as a contract offer from the exhibitor, which requires acceptance by the organizer. Submission of the application form shall constitute no grounds for admission to the event.
- 2.2 By submitting the application form, the exhibitor shall hereby accept these "General Exhibiting Guidelines" and, if available, the "Special Exhibiting Conditions" applying to the particular event, the "House Rules", the "Technical Guidelines" and the regulations contained in the "service documents". This obligation shall also extend to the persons employed by the exhibitor at the event, other participants registered by the exhibitor and other agents.
- 2.3 The exhibitor shall be obliged to comply with relevant labour and trade legislation, environmental protection regulations, fire protection regulations, accident prevention regulations and the provisions of competition law. The exhibitor shall also personally comply with EU Regulations No. 2580/2001 and No. 881/2001, especially in regard to finance and personnel.
- 2.4 The exhibitor shall continuously monitor compliance with the above-mentioned regulations by the persons whom he employs at the event, his other registered participants and other agents. In the event an infringement of this obligation, the exhibitor shall intervene and/or inform the organizer about the infringements.
- 2.5 By registering, the exhibitor agrees for **registrant-related data** to be recorded, processed and used for the purposes of event processing, as well as advertising or market-/opinion research and the associated required agreements under observation of the Data Protection Act and other data protection regulations (in their respective valid version), and to potentially be transmitted to third parties in connection herewith. The exhibitor also agrees to participate in electronic visitor acquisition programs and analysis programs, and agrees for information pertaining to his/her participation to be distributed via electronic media including the internet. **The regulations of the German Data Protection Act BDSG apply, particularly §§ 27 through 32 BDSG.**

3. Admission

- 3.1 The organizer shall take a decision, if necessary in agreement with the respective committees, regarding the admission of the exhibitor and registered exhibits to the event via a written confirmation of admission. A contract shall come about with the admission of the exhibitor (see subsection 2.1, sentence 3).
- 3.2 The organizer may exclude individual participants from taking part in the event for factually justified reasons, especially if the amount of space available is insufficient. The organizer may also restrict the event to certain groups of participants if this is necessary to attain the purpose of the event. The organizer shall also be entitled to impose restrictions on the registered exhibits and change the amount of registered space. Admission shall only apply to the registered exhibits, the participants mentioned in the confirmation of admission and the space stipulated therein. No items apart from those which have been registered and admitted to the event may be exhibited.
- 3.3 The participant shall have the actual and legal power of disposal over the registered exhibits and shall be in possession of any necessary official operating licences. Descriptions and brochures relating to the goods or services to be exhibited shall be submitted by the participant on request.

4. Space assignment

- 4.1 The organizer shall personally assign space in accordance with the subject and structure of the particular event and the actual amount of space available. If possible, the organizer shall try and accommodate requests for specific space assignments in the registration form. The order in which applications are received shall not be the sole decisive factor in assigning space.
- 4.2 The organizer shall admit participants to the event by issuing written confirmation of participation along with details of the stand provided (stand confirmation). Unless otherwise agreed in writing, the participation contract between the exhibitor and the organizer shall hereby be concluded with legally binding effect. If the contents of the stand confirmation differ from the contents of the exhibitor's registration form, the contract shall be concluded on the basis of the stand confirmation, unless the exhibitor objects in writing within two weeks.

5. Unauthorized transfer of stand space, co-exhibitors, additionally represented companies

- 5.1 The assigned stand space may not be exchanged with another exhibitor. Partial or complete transfer of the stand space or subletting of the stand space to third parties shall also not be permitted without the approval of the organizer. In the event of an infringement of this provision, the organizer shall be entitled to terminate the contract immediately according to section 17 for good cause.
- 5.2 If several exhibitors want to rent a stand together, they shall name a jointly appointed authorized representative on the application form. The organizer shall negotiate solely with this authorized representative. If several exhibitors rent a stand together, every one of them shall be jointly and severally liable to the organizer.
- 5.3 The exhibitor may only accept co-exhibitors or additionally represented companies (cf. 1.4) with the prior approval of the organizer. Third parties shall also be regarded as co-exhibitors or additionally represented companies if they have close economic or organizational ties to the applicant. The exhibitor shall enter the names of all co-exhibitors or additionally represented companies on the application form. Co-exhibitors or additionally represented companies not named on the application form may not display exhibits on the exhibitor's stand.

6. Fees, payment deadlines and terms, lessor's right of lien

- 6.1 The participation fee amount and the payment deadlines are shown in the Special Exhibiting Conditions. The payment deadlines shall be observed. Prior and full payment of the invoice on the stipulated dates shall be a prerequisite for taking possession of the assigned stand space and for handing over the participant passes. No provision shall be made for deferral of payment in the event of any deviation from this regulation. Objections to the invoice may only be taken into account if they are sent in writing within 14 days after receipt of the invoice. When sending the invoice, the organizer shall draw the exhibitor's attention in particular to the importance of his actions.
- 6.2 An AUMA service fee amounting to €0.60 per square metre of stand space shall be charged for the activities of the Association of the German Trade Fair Industry (AUMA), Littenstrasse 9, 10179 Berlin. This service fee shall be listed separately on the invoice.
- 6.3 All invoice amounts shall be transferred in Euro without any bank charges or deductions quoting the customer number and invoice number to one of the accounts shown on the invoice. If the exhibitor fails to pay on time, the organizer shall be entitled to charge interest amounting to the interest rate which he would pay for taking out corresponding loans, but at least 8 percent above the current base interest rate, plus a fee of €3.00 for every additional warning letter. The organizer shall reserve the right to assert claims for statutory interest after the due date (§ 353 of the German Commercial Code), any further damage caused by default and other rights arising from these Exhibiting Conditions. The participant shall be entitled to provide the organizer with documentary evidence to the effect that the latter suffered no damage over and beyond the statutory default interest rate as a result of default in payment.
- 6.4 If the participant culpably fails to comply with his payment obligations on time, the organizer shall reserve the right, after granting a reasonable period of grace with consideration of the circumstances and the remaining time, to terminate the contract with immediate effect according to section 17 for good cause.
- 6.5 Should a participant fail to comply with his payment obligations, the organizer may exercise his right of lien, retain the exhibits and the stand fittings, and have them auctioned at the expense of the participant, each time after prior written notification, or to sell them privately if they have a stock exchange price or a market price.

7. Non-participation by the participant

- 7.1 Non-participation by the participant shall not generally release him from his contractual obligations. The participant shall be obliged, in particular, to pay the contractually due fees. The organizer shall not be obliged to accept a replacement participant nominated by the participant.
- 7.2 In the event of non-participation, the participation fee shall become due for payment immediately if the due date has not already been established according to subsection 6.1.
- 7.3 In order to ensure that the trade fair/exhibition has a unified appearance, the organizer shall be entitled to reassign the stand space not used by the participant if the latter does not take part in the event. The participant shall pay an administrative fee (see subsection 17.6) for the attempts by the organizer to hire the exhibition stand for a consideration other than through an exchange with the stand space of another participant. This provision shall also apply if the stand space is reassigned to a replacement exhibitor who is nominated by the participant and accepted by the organizer. If no interested party is found, the organizer shall be entitled to arrange the stand space at the expense of the participant.
The participant shall also not be released from the obligation to pay the participation fee if the assigned stand space is hired in another way, but the total area available for the event cannot be fully hired out.
- 7.4 In the event of non-participation by a co-exhibitor, the participant shall still be obliged to pay the full registration fee (see subsection 1.4).

8. Cancellation, relocation and change in the duration of the event

- 8.1 The organizer shall be entitled to cancel the event for good cause, change its date and location, change its duration or – if necessitated by space conditions, police instructions or other compelling reasons – move the stand space assigned to the participant, change its dimensions and/or limit the stand space. Any change in regard to the venue or its time or any other change shall become an integral part of the contract when the participant is notified accordingly.
In this case, the participant shall be entitled to withdraw from the contract within 14 days after receipt of the notice of change. Compensation claims against the organizer shall be excluded in this case, unless the change was due to gross negligence or intent on the part of the organizer or his agents.
- 8.2 Cases of force majeure, which prevent the organizer from fulfilling all or some of his obligations, shall release him from the performance of this contract until such time as force majeure ceases. The organizer shall inform the exhibitor immediately, unless he is also impeded by a case of force majeure. The impossibility of a sufficient supply of auxiliary materials such as electricity, heating, etc., as well as strikes and lockouts shall be regarded as tantamount to a case of force majeure - unless they only last for a short period or were caused by the organizer. If the organizer incurs costs in these cases for the preparation of the event, the participant shall be obliged to pay these costs.
- 8.3 If the organizer is able to stage the event at a later date, the participant shall be notified accordingly. The participant shall be entitled to withdraw from the contract within 14 days after receipt of this notification. Compensation claims against the organizer shall be excluded in this case, unless the change of date was due to gross negligence or intent on the part of the organizer or his agents.
- 8.4 If the organizer is responsible for cancelling the event, the participant shall not be obliged to pay the participation fee.
- 8.5 If the organizer is forced to shorten an event already in progress on account of the occurrence of force majeure or for other reasons for which he is not responsible, the exhibitor shall not be entitled to claim full or partial reimbursement or waiver of the participation fee.

9. Stand construction, fittings and design

- 9.1 All exhibition stands and other event areas shall be measured and marked by the organizer. In case of doubt, the organizer shall have the right to make a final decision (§ 315 of the German Civil Code).
- 9.2 The participant shall be obliged to build a trade fair stand or an exhibition stand (stand) on the rented exhibition space. The stand shall be occupied on time, but at the latest 24 hours before the start of the event. If the participant does not occupy the stand on time, the organizer may terminate the contract immediately according to section 17 for good cause.
- 9.3 Exhibits, stand equipment and/or other items, which were not shown on the application form or whose appearance, smell, lack of cleanliness, noise or other characteristics create an unreasonable nuisance or disturbance affecting the smooth running of the event or which otherwise turn out to be unsuitable shall be removed immediately at the request of the organizer.
If these items are not removed at once, the organizer may dispose of them at the participant's expense and terminate the contract immediately according to section 17 for good cause.
- 9.4 In principle, every participant shall be free to design and equip their stand according to their own criteria. However, the stand design and equipment shall take account of the typical exhibiting criteria of the event and all conditions of the organizer, especially the Technical Guidelines, the Special Exhibiting Conditions and the service catalogue. The organizer shall be entitled to request the participant to submit plans and stand descriptions that are true to dimensions. The name of the company and the address or head office of the participant shall be clearly marked on a stand sign. The names of the companies commissioned to design and build the exhibition stand shall be notified to the organizer.
- 9.5 The stand shall be properly equipped and occupied by knowledgeable personnel at the fixed opening times throughout the duration of the event stipulated in the Special Exhibiting Conditions.

* The IDFA is the community of interests of German trade fair and exhibition cities. Its members are the trade fair companies in: Bremen, Dortmund, Essen, Friedrichshafen, Hamburg, Karlsruhe, Leipzig, Offenbach, Saarbrücken and Stuttgart. In the interest of equal and fair treatment of exhibitors, members of the IDFA publish these guidelines on the basis of voluntary cooperation. The members are entitled to conclude different agreements with exhibitors. In order to become valid, these agreements and arrangements shall require the written approval of the individual IDFA member.

- 9.6 If the design and/or equipment of a stand do not comply with the relevant specifications, the organizer may request that the stand be changed or removed accordingly by the participant. The costs in this case shall be borne by the participant. If the participant fails to comply with this request straightaway, the organizer shall be entitled to change the stand at the participant's expense or terminate the contract immediately according to section 17 for good cause.
- 9.7 Construction of the stand shall be completed at the latest before the end of the construction times stipulated in the Special Exhibiting Conditions. The participant shall not be entitled to remove exhibits from the stand or start dismantling the stand before the beginning of the stand dismantling times stipulated in the Special Exhibiting Conditions.
- 9.8 Any exhibits exceeding the fixed height limits for the stands shall require the permission of the organizer. This provision shall also apply to the presentation of very heavy exhibits for which foundations or special equipment are required.
- 9.9 The participant shall be solely responsible for vacating the stand on time and restoring the original state of the exhibition space. All obligations of the organizer shall end after expiry of the stand dismantling period stipulated in the Special Exhibiting Conditions. The organizer shall accept no responsibility whatsoever for goods left on the trade fairgrounds, including those which were sold to a third party during the event. The organizer shall be entitled to charge a reasonable storage fee for goods which are not dismantled and taken away on time. The organizer shall also be entitled to use a suitable company to remove and store goods immediately at the participant's expense and risk.

10. Advertising

- 10.1 The participant shall only be entitled to use any kind of advertising on his stand for his own company and solely for the goods which he produces or sells, provided they have been registered and admitted to the event.
- 10.2 Loudspeaker advertising, other acoustic measures and slide, film, video or computer presentations and other noisy measures shall require the written approval of the organizer. This provision shall also apply to the use of audio or visual equipment for the purpose of attaining a better advertising impact or if the demonstration of exhibits is noisy or annoying.
- 10.3 The organizer shall be entitled to stop unauthorized advertising without the aid of courts or the police and to personally remove it or have it removed. The costs of removing unauthorized advertising shall be borne by the participant. Licences that have already been issued may be subjected to restrictions or revoked in the interest of maintaining an orderly event if no other remedial measures are possible.
- 10.4 If the participant plays back mechanically reproduced music, he shall be obliged to obtain the necessary public performance licence and pay the fees in this respect.
- 10.5 The participant shall not be permitted to carry or drive around advertising media on the trade fairgrounds or distribute printed matter and samples outside his stand.
- 10.6 The participant shall be strictly forbidden to approach and interview visitors outside the stand. In the event of an infringement of this provision, the organizer shall be entitled to terminate the contract immediately according to section 17 for good cause.
- 10.7 Political advertising and/or political statements shall not be permitted, unless the political statement forms part of the event. In the case of political statements or political advertising which are capable of disturbing the smooth running of the event or public order, the organizer shall be entitled but not obliged to request the participant to stop showing the offending items and to remove them from his stand. If the exhibitor fails to comply with this request, the organizer shall be entitled to terminate the contract immediately according to section 17 for good cause.

11. Direct selling

- 11.1 Direct selling shall not be permitted, unless it is expressly permitted in the event-related "Special Exhibiting Conditions". Good cause for terminating the contract immediately shall be deemed to exist, in particular, if the participant violates the obligations stipulated in subsections 5.1, 6.4, 9.2, 9.3, 9.6, 10.6, 10.7 and 15.2.

- 17.6 The participant shall pay a flat-rate net management charge amounting to 25% of the participation fee, but at least €400 plus the statutory value-added tax for the attempts by the organizer to rent the stand area for a consideration in a way other than through exchange.
- 17.7 The organizer shall be entitled to request the participant to pay in every individual case a maximum contractual penalty of €10,000, which is to be fixed by the organizer according to his fair judgement and reviewed by the competent regional court in the event of dispute, if the participant culpably violates his obligations from

- 18.8 The participant shall be liable to the organizer for the damage caused by the participant himself, his employees, authorized representatives or exhibits and stand fittings. In the case of lump-sum compensation claims, the organizer shall still be entitled to prove to the participant that he suffered higher damage. The participant shall be entitled to prove that no damage occurred or that the damage was much less than that stated in the lump sum.
- 18.9 If the participant is an event organizer within the meaning of the Sample Assembly Ordinance (MVStättVO) and according to the latest version of the State Assembly Ordinance, he shall be responsible according to the Sample Assembly Ordinance (MVStättVO), especially section 38 (1), (2) and (4), and the relevant provisions of the particular State Assembly Ordinance. The participant shall be obliged in this case to release the organizer and his agents from any damage claims and administrative fines based on their operator liability according to section (5) of the Sample Assembly Ordinance (MVStättVO) or the relevant provisions of the particular State Assembly Ordinance. The provisions of subsection 18.1 shall not be affected.
- 18.10 The organizer shall bear no insured risk whatsoever in respect of the participant. The participant is expressly referred to the possibility of taking out his own insurance coverage. Every participant shall have the possibility of acquiring extensive insurance coverage on the basis of general contracts concluded by the organizer. Further details on this insurance can be found in the registration documents.

19. Saving clause, statutory limitation, right of retention

- 19.1 If one of the clauses of these General Exhibiting Guidelines is or becomes invalid or unenforceable, the validity of the other clauses shall not be affected. The contracting parties shall be obliged in this case to agree a valid and enforceable clause which comes as close as possible to the clause to be replaced within the meaning of the General Exhibiting Guidelines. This provision shall also apply to any loopholes in the General Exhibiting Guidelines.
- 19.2 The limitation period for claims against the organizer shall be one year, unless they are due to gross negligence or intent on the part of the organizer or the claims are subject to a statutory limitation period of more than three years.
- 19.3 The participant shall only be entitled to offset claims against the organizer if his counterclaims are legally enforceable, are undisputed or have been accepted by the organizer. This provision shall also apply to rights of retention if the participant is a registered trader, a legal person under public law or a special public asset. If the participant does not belong to this group of persons, he shall be entitled to exercise a right of retention in so far as his counterclaim is based on the same contractual relationship.

However, the organizer shall reserve the right to take legal action at the general place of jurisdiction of the participant.
